## TREASURER IS MULCTED

## A Foreign Corporation Recovers License Fee, Etc.

Judgment has been entered in the Circuit Court in favor of Seattle Brewing and Maling Company, a corporation, against A. J. Campbell, Treasurer of the Territory of Hawaii, for \$750 damages, \$26.25 attorney's fees and \$45.75 costs, a total of \$822. The suit was to recover license fees of a foreign corporation paid by plaintiff to defendant under protest. Plaintiff claimed that it was not a foreign corporation within the meaning of the license provisions of the statute.

CHINESE COUPLE DIVORCED.  
Judge Robinson granted Mrs. Amoy Tong a divorce against Luke Tong for desertion extending beyond two years prior to the bringing of the action. The parties were married in Kona, Hawaii, in the year 1903. Geo. D. Gear represented the libelant.

RECEIVES HER PORTION.  
William O. Smith, guardian of Anna Katharine Smith, a minor, has filed his final account with petition for discharge. He received \$3342.42 and paid out \$2903.50, leaving a balance of \$1338.62, for which a receipt in full from the ward, who has come of age, is filed with the petition.

A SMALL ESTATE.  
Mrs. Mary Freitas petitions that letters of administration on the estate of her deceased sister, Antonia Botelho, be issued to Henry Smith. The sole property is a deposit of \$311.96 now in court, paid in by J. P. Dias as guardian of deceased, a minor. Mr. Dias was discharged by Judge Robinson yesterday.

ATTORNEY ADMITTED.  
W. H. Smith was admitted to practice in the Federal Court by Judge Dole yesterday, on motion of E. A. Douthitt. Mr. Smith formerly practiced law in Hilo, where also he was editor of the Tribune.

THE POLICE BLAMED.  
An amended answer was filed in the Federal Court yesterday by the Oceanic Steamship Co., represented by Kinney, McManahan & Derby, to the libel of Ford, lately an assistant engineer of the steamer Ventura. Ford, represented by J. J. Dunne and Geo. D. Gear, claims \$5000 damages for unlawful imprisonment, he having been arrested on board the Ventura and kept in jail, with no charge entered against him, until released on a writ of habeas corpus the fifth day.

The amended answer states that Ford was drunk and disorderly aboard the steamer, when an officer was telephoned for and arrested him. When allowed as requested to go and get his clothes Ford escaped. Later in the evening he was fighting with several men on deck, when he was again arrested. The answer says the police officer making the arrest well know what charge to enter against Ford, and should have entered a charge so that the case would have come up in the Honolulu District Court next morning.

A RELIABLE REMEDY FOR DYS-ENTERY AND DIARRHOEA.

As the season is at hand when diarrhoea and dysentery are prevalent a reliable remedy should always be kept in the house for immediate use. The success of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the treatment of bowel trouble, has brought it into almost universal use and the following letter indicates it is giving satisfaction in South Africa. Mr. J. H. Morris, Chemist at George, Cape Colony, says: "I have stocked Chamberlain's Remedies for some years and find them thoroughly salable, and in all cases answering the purpose for which they are intended." For sale by all dealers and druggists; Benson, Smith & Co., agents for Hawaii.

## MALING TO GO AWAY

## Hatch Succeeds to the Federal Court Clerkship.

Walter B. Maling, clerk of the United States District Court, has resigned his position, and will leave for San Francisco on the Alameda in September, to accept the post of chief deputy clerk of the United States Circuit Court at San Francisco under Judge Morrow.

Deputy Clerk Frank Hatch will succeed Mr. Maling here as clerk of the District Court.  
News of the promotion of Mr. Maling came here yesterday on the Doric. Mr. Maling stated that the opportunity came to him only a short time ago. A letter reached him from the Coast asking if he would accept the position of chief deputy clerk, held by Mr. William Beazley. He immediately answered that he would accept and the way was paved for Mr. Hatch to succeed him here.

Mr. Beazley, who has been in the clerk's office for twenty-four years, resigns to take up the practice of law in partnership with E. A. Bolton. During the time he spent as deputy clerk he studied law and has fitted himself for practice.

Mr. Maling and Mr. Hatch were both admitted to practice in the Territorial courts recently and a few days ago qualified for the Federal Court. Mr. Maling is a nephew of Senator George C. Perkins. He was also the U. S. Commissioner and Mr. Hatch may also succeed to this office.

Mrs. Maling and children are on the Coast at present. Mr. Maling's departure from the islands is partly due to a desire to give Mrs. Maling a change of climate for her health's sake, they having been in Honolulu for the past six years.

## STRIKING AT OUR WINTER TRAVEL

CHICAGO, August 3. — Elaborate preparations are being made by the roads interested in Chicago-Cuban travel for next winter's business, which is expected to exceed last winter's many fold. The San Francisco catastrophe, it is expected, will cause many people who otherwise might have gone to California to go to Cuba instead for their winter vacation.  
The Southern Pacific is having three new steamers built, one of which is to ply between New Orleans and Havana. One of these, the Momus, has just been launched at the Cramp shipyards. The Illinois Central will run a fast service from Chicago to connect with the New Orleans steamship service. The Alton and Mobile and Ohio are also having a new boat built especially for the Mobile-Havana service.

## MOVING PICTURES AT THE BEACH

Sunday afternoon, between the hours of two and five, Mr. Bonine, the expert, will take a series of moving pictures of surfboat and surfboard riding at the Moana Hotel and vicinity.  
A life-like exhibition of this Hawaiian sport will be a great feature on the mainland and will tend more than anything else to induce people to come to our shores.  
All owners of canoes and small craft as well as bathers should be on hand to make a good showing for Hawaii.
